The Maximal Subgroups Of Classical Algebraic Groups

by Gary M. Seitz

This paper studies the irreducible embeddings of simple algebraic groups of exceptional type. The maximal subgroups of classical algebraic groups. Mem. The Maximal Subgroups of the Low-Dimensional Finite Classical Groups - Google Books Result Irreducible subgroups of classical algebraic groups - University of . Algebraic Groups and their Representations - Google Books Result Classical algebraic group; disconnected maximal subgroup; irre- . weight?, and let H? C be a maximal positive-dimensional subgroup of G such that. H/Z(G) Irreducible Almost Simple Subgroups of Classical Algebraic Groups: - Google Books Result 18 - Maximal subgroups of classical type simple algebraic groups: Read PDF. pp. . [60] G. M. Seitz, The Maximal Subgroups of Classical Algebraic Groups. The maximal subgroups of classical algebraic groups / Gary M. Seitz A1 Subgroups of Exceptional Algebraic Groups - Google Books Result

Irreducible geometric subgroups of classical algebraic groups. This book classifies the maximal subgroups of finite classical groups in low . techniques together with computer algebra systems (GAP, Magma), with the 1. Aschbacher, Finite group theory 2. Armand Borel, Linear algebraic groups and their finite analogs, the finite groups of Lie type. These sections, 4 Maximal subgroups of classical algebraic groups. In this section we The Maximal Subgroups Of Classical Algebraic Groups Classifies the maximal subgroups of the finite groups of Lie type up to dimension . techniques together with computer algebra systems (GAP, Magma), with the The Maximal Subgroups of Positive Dimension in Exceptional . - Google Books Result Armand Borel, et al., Seminar on Algebraic Groups and Related Finite Groups, SLN. 131. 4. G.M. Seitz, The maximal subgroups of classical algebraic groups. maximal subgroups of finite simple groups - MathOverflow Irreducible maximal subgroups of classical algebraic groups. Donna Testerman (EPFL). We consider triples (H, G, V), where G is a simple algebraic group. Reductive Subgroups of Exceptional Algebraic Groups - Google Books Result The maximal closed subgroups of positive dimension in simple algebraic groups of exceptional type over algebraically closed fields are determined, subject to . Irreducible maximal subgroups of classical algebraic groups Donna . The Maximal Subgroups of Classical Algebraic Groups - American . 17 Nov 2012 . I think the basic paper is The maximal subgroups of classical algebraic groups by Seitz. These results are of great importance in the The Maximal Subgroups of Classical Algebraic Groups - Gary M . 9 Apr 2014 . Irreducible subgroups of classical algebraic groups G contains a unique maximal closed connected subgroup, denoted G0, which is normal Maximal Subgroups of Exceptional Algebraic Groups (Memoirs of . The results of that paper, when combined with previous results concerning maximal subgroups of classical algebraic groups, yield a reasonably complete . STRONGLY DENSE FREE SUBGROUPS OF SEMISIMPLE. [25, 30, 40] on classical groups, this provides a description of all maximal closed subgroups of positive dimension in simple algebraic groups. We obtain a The maximal subgroups of positive dimension in exceptional . The Maximal Subgroups of the Low-Dimensional Finite Classical . Irreducible geometric subgroups of classical algebraic groups, with Tim. (G;H; V), where H is a maximal closed disconnected positive-dimensional subgroup of Maximal Subgroups of Classical Algebraic Groups (Memoirs of the American Mathematical Society) [Gary M. Seitz] on Amazon.com. *FREE* shipping on The Maximal Subgroups of the Low-Dimensional Finite Classical . The maximal subgroups of classical algebraic groups / Gary M. Seitz on ResearchGate, the professional network for scientists. Gary Seitz - Wikipedia, the free encyclopedia Linear Algebraic Groups and Finite Groups of Lie Type - Google Books Result The Maximal Subgroups Of Classical Algebraic Groups rselmicard.eu. The Maximal Subgroups Of Classical. Algebraic Groups. Download The Maximal Maximal Subgroups of Exceptional Algebraic Groups - Google Books Memoirs of the American Mathematical Society 1987; 286 pp; softcover. Volume: 67. ISBN-10: 0-8218-2427-9. ISBN-13: 978-0-8218-2427-6. List Price: US\$45 Topics in the Theory of Algebraic Groups - University of Oregon Buy Maximal Subgroups of Exceptional Algebraic Groups (Memoirs of the AMS) . results concerning maximal subgroups of classical algebraic groups, yield a Irreducible disconnected subgroups of exceptional algebraic groups Seitz specializes in the study of algebraic and finite groups. The maximal subgroups of the classical algebraic groups, AMS Memoirs, 365, (1987), 1–286. Maximal Subgroups of Classical Algebraic Groups (Memoirs of the . Some Recent Publications, Preprints - GR-TES - EPFL 27 - Maximal subgroups of finite classical groups - University . The Maximal Subgroups of Classical Algebraic Groups. Front Cover. Gary M. Seitz. American Mathematical Society, Dec 31, 1987 - Mathematics - 286 pages. Maximal subgroups of exceptional groups of Lie type, finite and . The existence of free subgroups of algebraic groups is intimately related to . information on degenerations of maximal rank subgroups of classical simple. Maximal Subgroups of Exceptional Algebraic Groups - Google Books Result
